## REQUEST AND PLAN / 服务申请及方案

I request that Nouvelle Anti-Aging provide the agreed aromatherapy SPA using selected oils and gentle rhythmic manual techniques. We will agree on duration, pressure, warmth and areas such as shoulders/neck, back, arms, abdomen or legs before starting. The goal is relaxation and comfort; temporary improvement in puffiness may occur. Detoxification, weight loss or treatment of lymphedema or disease is not guaranteed. I may omit products or areas, choose lighter pressure or decline service.
